STATEMENT OF FACTS

I am a Special Agent with the Federal Bureau of Investigation (FBI), and have been so employed for approximately 3 years. I am currently assigned to the Cyber Division of the San Diego field office, where I investigate crimes concerning child exploitation and the receipt, possession, production, and transmission of child pornography.

On April 24, 2008, an FBI Informant who is willing to testify, provided William Edward Fessler with \$5,000 for the purchase of "crack cocaine". This transaction was arranged throughout the week via telephone.

On April 25, 2008, the Informant went to Fessler's residence located at 4881 Rolando Court, Unit 77, San Diego, California, to pick-up the narcotics. After approximately five minutes inside the residence, the Informant exited with approximately 250 grams of "crack cocaine".
